Dear Elisha,

Thank you for letting me work with your organization. I enjoyed cleaning up the beach! It made me feel like I was finally doing something to help people more than myself. Even though trash isn't the most exciting thing I took pleasure in walking in the morning making the landscape cleaner and watching the dolphins swim. I want to thank you for letting me walk with you and Clear Water and I intend to continue helping. You are a terrific role model and it is great that you started Clear Water. I look forward to working with you in the future.

From,
